TRIBUTE TO MY BEST MOM LIKE NO OTHER MOM

Oh ufuok ebuod, eboto nmi, usua akan ama, afani, awacha, nma etubom, owo ekong Christ, nma-nma, eka Glory.

My mother was the best and always be even in death, she may be gone from my sight, but she will always be in my heart. Oh this hardest pill, is hard for me to swallowed, I have seen the value of having you right from 26 December 2024 at 7pm that you drop your last breath. You always make time for me, you learned to give not because you have much but because you know exactly how it feels to have nothing, I will never forget your helped in difficult times, right from my birth, you made sure I am okay, when nobody else did. You have a good heart of a mother with me, my youthful sickness, you did not forsake me, you nurse me, you never get tired of me, oh my great mother like no other, tears will never stop rolling from my eyes when I remember your good deed. I will ever chose you as my mother if there's another world. I was afraid but everything I I was afraid of has already happen to me, so, I don't fear anything again because you once told me that having God in my boat doesn't mean that I will not face any storms, it means that no storm can sink my boat.

Thanks for your advice, I miss you, I miss everything about you, safe journey my good mother like no other.

Hmm mkpa, why now, you took away my lovely father in 2020 and my senior sister in 2022, now you have come again and took away my sweet mother, the one in a billion mother, a peace maker, an accommodative mother, irreplaceable mother, a adviser, a cheerful giver, ufan mi ke ofuri ererimbot, a pillar is pulled down. Tribute

Dearest mummy,

Words fails me as I struggle to write. I've always had that peace of mind when I look back and remember that you're with me, but that assurance has failed me now. I never imagined you would leave so soon. You were our pillar of support, always giving motherly love, advices, and prayers which have shaped us to what we are today.

I am really grateful for all your sacrifices made for your family during your life time, we will always have your memories evergreen in our hearts even in your absence.

Continue to rest in peace and tranquility, until we meet again as the Lord wishes.

TRIBUTE TO MY MOTHER-IN-LAW

In memory of mummy who lived with quiet strength and grace, understanding that life is a balance of holding on and letting go, and in her own way, you taught us to appreciate both. Your presence, to us, was a reminder that love endures beyond the surface, quietly shaping everything it touches. As you have departed from us we continue to bask in the lessons of your warmth, motherly love, and most importantly your prayers for us. We pray for the repose of your soul, rest in peace mama, till we meet again.

TRIBUTE TO MY BELOVED MOTHER-IN-LAW

With a heart full of gratitude, we celebrate the life of a remarkable woman - a devoted believer of the Gospel, a pillar of strength in our family, and a beacon of love to everyone around her. Her unwavering faith in God was evident in every aspect of her life, guiding her actions, her words, and her selfless service to others.

She was not just a mother-in-law but a true mother in every sense-nurturing, kind, and always ready to extend a helping hand. Her home was a place of warmth, where everyone felt loved and cared for. She embodied Christ's love, giving generously without expecting anything.

Though we will miss her dearly, we take comfort in knowing that she rests in the presence of the Lord she served so faithfully. Her legacy of faith, love, and selflessness will continue to inspire us.

Rest well, Mama, until we meet again in glory.

A TRIBUTE TO OUR BELOVED GRANDMOTHER.

Grandmothers are the keepers of wisdom, the bearers of love, and the heartbeats of families, and you were all of this and so much more. Your presence was a steadying force, a source of comfort and joy to everyone who had the privilege of knowing you. To us, you were not just a grandmother, but a guiding light whose love knew no bounds.

Your hands, worn from years of care and kindness, always had something special to give whether it was a warm hug, a home cooked meal, or a comforting word when we needed it most. Your wisdom was simple yet profound, reminding us of what truly mattered in life family, kindness, and the importance of showing love, even in the smallest gestures. You may have left this world, but your legacy of love, kindness, and resilience will remain with us forever. We are forever grateful for the time we had with you, and we will hold you close in our hearts, always.

Rest in peace, Grandma. Your love will continue to guide us, and your memory will forever be a treasure.

CONDOLENCE

The entire Mt. Zion Blessed Church received with shock the news of the sudden death of your mother, our Apostle (Mrs.) Jenny M. Akpan with grief in our heart who transited peacefully to be the Lord on the 26th/12/2024.

In this period of pains, agony, psychological and emotional trauma, you all should bear in mind that the entire church are totally behind you to comfort and console you. No doubt, a big vacuum has been created by the departure of our "Soldier of Christ" but God will definitely fill up the vacuum.

Be ye consoled by the fact that she was a committed Christian and left us with one of her sermons in a songs writer's word thus:

Shall we missed, though by others succeeded,
Reaping the field we in spring time has sown
Yes, but sowers must pass from their labours.
Ever remembered by what they have done

Only the truth that in life we have spoken
Only the seed that on earth we have sown
These shall pass onward when we are forgotten
All be remembered by what they have done

We shall always remember you SOLDIER OF CHRIST by your own sand of times.
Rest on, for your love will never fade.

It is always a challenge writing a eulogy for one whose life on earth in our understanding was still full of promise. Late Apostle Mrs. Jenny Monday was a dear mother and one who was effervescent with ideas and endless stream of gospel thoughts, with the kindness and gentility of a lamb. We recalled her numerous words of advice every 1st Sunday of the month. We also recalled how she will never cook food in her house and eat alone or with members of her household. Any of us she sees must eat with her. What about the ideas she imbedded in us for us to grow spiritually and otherwise.

We enjoyed her love for the work of God – wake up and come for morning prayers and when we cannot meet up, she covers us without grumbling. We know this is a tough period for you her children, but we have you all in God's hand for his great protection, direction and care prayerfully. We pray that the healing spirit of the Almighty God sooth your anguish and make you all come out of this experience stronger and better in Jesus Name – Amen.

Hmm, this life

When you came to tell me about the passage of your dear mother, it was like a dream because the last I visited the same week and mate her sleeping I thought that when she wakes she will be fully normal again, but little did I know that she will wake and sleep again after few days the same week and not waking up again. Well, glory be to God who says she return to eternal glory in him. I know a very big vacuum has been created which wil be very difficult to fill but with God all things are possible. Luke 1:37.

I, my family and the church with me strongly encourage you all to take solace in the Lord and live on the beautiful legacies your departed mother has left in the sands of time because she is asleep and not dead.
